**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

Art Unit: 3739

***Response to Amendment***

The reply filed on March 22, 2012 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Claim 30 fails to include in brackets "transmits heat" which appeared in the patented claim. In addition, upon additional review, it has been determined that the declaration submitted January 23, 2006 fails to clearly set forth in the error statement what limitations are being deleted from what claims. The following language is suggested: "Applicant claimed less than he had a right to claim in the patent. For example, claim 18 recites an electrical connector braided into the shaft. This limitation was not necessary for patentability and has been omitted in new claim 36." Accordingly, a supplemental declaration is required.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lee S. Cohen whose telephone number is (571)272-4763. The examiner can normally be reached on Monday-Friday, 7:00-3:30.
